

VA MISSION Act of 2018

Your Care is Our Mission

Elevator Speech for Staff

The VA MISSION Act improves VA overall by:

- Streamlining the Community Care process,
- Establishing a new Urgent Care benefit
- Providing more Veteran-to-Veteran peer specialists,
- Providing telehealth in Veteran homes, in a VA facility-or in the community,
- Expand the program to support Veteran caregivers,
- Providing more opportunities to hire and retain excellent staff,
- Fostering new strategies for addressing the needs of VA health care facilities considered underserved.

Through the MISSION Act, VA now has additional opportunities to enhance our high-quality health care to our nation's Veterans.
