Your Care is Our Mission

**The VA MISSION Act of 2018 empowers employees. It also strengthens VA's care nationwide.**

The MISSION Act:

- Improves ways to hire staff and keep staff onboard;
- Creates "Anywhere to Anywhere" telehealth linking Veterans with their care teams across state lines;
- Allows VA to lead with cutting-edge technology;
- Enhances VA as a leader for U.S. health care.

*We are proud to serve our Veterans!*
